

Construction Apprenticeship Career Fair April 14 & 15, 2016

FREE Admission:

Students, Parents, Administrators, Board Members, and the media are welcome to visit. To learn about this opportunity, check out the 9 minute video on Apprenticeship Programs: www.iowaconstructioncareers.com.

Location: Plumbers & Pipefitters Apprentice & Journeymen Training Center, 5101 J Street SW, Cedar Rapids.

Format: This event is structured, and reservations are required for student groups.

New this year: There will be a brief introduction about Apprenticeships in the lunch room before students are divided into small groups and assigned a tour guide. Each group will receive the same experience, rotating from station to station. Each representative will give a short presentation on their trade. Plan on 2 hours and 15 minutes to get through all the stations and longer if you stay for lunch.
